Jonathan Aragonés  
16 / 358 Sydenham Rd  
Sydenham VIC 3000

**RE: Confirmation of Employment**

To whom it may concern:

Jonathan Aragonés has been employed by Connect Facilities since March 2015 and he has developed to become a building manager within our team. Over the past five years Jonathan has managed multiple sites within our portfolio and has developed strong relationships with OC committees, contractors, and residents.

Jonathan was responsible for setting up and running a significant residential project within our portfolio at Royal Elizabeth comprising of both Commercial and residential communities. In recent years he has been solely responsible for managing several residential towers and vertical communities and he has been fully responsible for managing the daily activities associated with controlling building fundamentals and its staff.

Jonathan has established good working relationships with his colleagues, our clients and all the commercial /residential occupants. He has developed a strong understanding of customer services and delivery of building fundamentals. Over the past five (5) years with our company Jonathan has proven to be versatile and capable of undertaking a variety of roles. He has displayed a strong work ethic, and he is always willing to assist where required.

During his tenure Jonathan has been involved in all aspects of OHS, Fire warden training assisted with IT services and improvements. In addition to this he has been responsible for contractor maintenance & compliance, Project coordination and signing off budget requirements for all building jobs and compliance.

Over the past four years we have seen Jonathan grow and enhance his skills and I therefore offer my recommendation of Jonathan Aragonés to any perspective employer and wish him all the best for the future.

Kind Regards,

**Vince Raso**
